Make a Paddington™ bookmark

You will need:
Scissors, string, glue, colouring pens/pencils and a grown-up.

1 Colour in the picture and write your name along the dotted line

2 Then get a grown-up to cut out the shape and make a hole at the pointed ends

3 Carefully fold down the middle and glue the two sides together

4 Tie some string through the hole and secure

5 Use it to mark your place next time you read a book
